# Supply wish list

Wheatland Elementary does provide all supplies needed for academics. The following is a list of “extras” that would help our classroom outside of what is already being provided by the school.

- Baby Wipes
- Disinfectant wipes
- Zip Lock Bags (Snack, Sandwich and Gallon Sized)
- Tissues
- Seasonally Themed Stickers
- Individually packaged snacks (Goldfish, pretzels,)
- Small prizes for our Prize Box

\* If you would like to provide any of these items, please reach out to me on Class Dojo. I will occasionally update this list for class parties or special events and post it on Dojo as well.  
Thank you!

# Homework

We will be sending Nightly Homework (M-Th) this year starting September 6th. The expectation is that this homework should not take more than 30 minutes. We would like to encourage you to read with your child nightly practiced in class.

We will also send home a Math Review page that will review the lesson we had in class that day. Some of these pages only have a few problems on them but they will keep you up to date with what we are doing in class.

Finally, we will send home Math Fact flashcards. We will check students in class and send new cards as they master each level.

# Question

I am thrilled to be your child's second grade teacher this year! Working with children has always been my passion and I look forward to learning and growing with your child.

If you or your student have any question, please don't hesitate to ask.
