# Introducing ME!

My name is Mrs. Barker. This year is going to be a little different for all of us. I just found out I am teaching 2nd grade and we are doing Distance Learning! But, I am excited to meet my student's and families and we will get through this together.

I live in Rio oso with my husband and two children. My husband is a teacher also and we love to make a positive impact on student's lives.

This is my third year teaching at Wheatland Elementary. I have taught TK, 5th and 6th grade over my 13 year teaching career.

Again, looking forward to this year and working together

# Digital LEARNING

We are starting the year with Distance Learning. Although we would all much rather be in the classroom, we have prepared for an amazing second grade year,

We will be using Google Classroom for instruction, Google Meets or Zoom for live instruction and ClassDojo for communication! You will learn all about them when we meet with you.
